Senior Week In Alliance.

As our way of thanking and celebrating our Seniors, We are throwing a **Tea Party on June 4th at the Community Garden** from 11am to 1pm.

All are welcome, Come share some stories with old friends and maybe make new ones at the same time.

Seniors Week has been recognized since 1986 to celebrate and recognize the contributions seniors make to enhance the quality of life in Alberta. Seniors Week was inspired by the vision of the late Alice Modin. 38 years ago, Modin began a campaign to start a seniors day in Strathcona County that helped pave the way for this annual event.

Crime rates are currently high in the Flagstaff County. Here are a few Crime Prevention Tips for Business Owners.

Signage

A sign noting that the business is frequently monitored, has video surveillance in place, doesn't keep cash on the premises and has an active alarm system in place can help deter potential criminals looking to take advantage of empty property.

Remove items

Items like shovels or ladders that are kept outside or near a door can potentially be used as break-in tools or even weapons. Consider storing them safely inside so they can't be used by criminals.

Alarms

Ensure an alarm system is up to date and working properly. Remember to double check the batteries and confirm connections are working properly with the alarm company.

Lighting

Ensure all outdoor lights are working properly and consider leaving a light or two on inside. The extra light increases visibility for police on patrol and a light inside can give the impression someone's present.

A watchful eye

We recommends driving by your business a few times a week to make sure there's nothing out of the ordinary. Beware of pry marks and broken windows and doors. If it looks like someone tried to gain access, report it to police.

Report suspicious behavior

Report all suspicious behavior, break-ins and attempts to police. The reports help officers and crime analysts determine potential hotspots and where they should focus patrols. If you catch someone in the act, call police rather than confronting them yourself.
