### MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

Management of the Village of Alliance is responsible for the preparation, accuracy, objectivity and integrity of the accompanying consolidated financial statements and all other information contained within this Financial Report. Management believes that the consolidated financial statements present fairly the Village's financial position as at December 31, 2022 and the results of its operations for the year then ended.

The consolidated financial statements have been prepared in compliance with legislation, and in accordance with Canadian public sector accounting standards (PSAS).

The consolidated financial statements include certain amounts based on estimates and judgments. Such amounts have been determined on a reasonable basis in order to ensure that the consolidated financial statements are presented fairly in all material respects.

In fulfilling its responsibilities and recognizing the limits inherent in all systems, management has designed and maintains a system of internal controls to produce reliable information and to meet reporting requirements on a timely basis. The system is designed to provide management with reasonable assurance that transactions are properly authorized and assets are properly accounted for and safeguarded.

These systems are monitored and evaluated by management and reliable financial information is available for preparation of the consolidated financial statements.

The Village Council carries out its responsibilities for review of the consolidated financial statements principally through its Audit Committee. This committee meets regularly with management and external auditors to discuss the results of audit examinations and financial reporting matters.

The external auditors have full access to the Audit Committee with and without the presence of management. The Village Council has approved the consolidated financial statements.

The consolidated financial statements have been audited by John H.C. Pinsent Professional Corporation, independent external auditors appointed by the Village. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the Village's consolidated financial statements.

### INDEPENDENT AUDITOR'S REPORT

To the Mayor and Council of the Village of Alliance:

### **Opinion**

We have audited the consolidated financial statements of Village of Alliance (the Entity) which comprise the consolidated statement of financial position as at December 31, 2022, and the results of its operations, changes in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Village of Alliance as at December 31, 2022, and its financial performance and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal controls as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concerns and using the going concern basis of accounting unless management either intends to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Matters

Debt Limit Regulation:

In accordance with Alberta Regulation 255/2000, we confirm that the municipality is in compliance with the Debt Limit Regulation. A detailed account of the Entity's debt limit can be found in Note 6.

Supplementary Accounting Principles and Standards Regulation:

In accordance with Alberta Regulation 313/2000, we confirm that the municipality is in compliance with the Supplementary Accounting Principles and Standards Regulation and note the information required can be found in Note 6.

The engagement partner on the audit resulting in this independent auditor's report is John Pinsent.

### NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED DECEMBER 31, 2022

### 1. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the Village of Alliance (the "village") are the representations of management prepared in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants. Significant aspects of the accounting polices adopted by the town are as follows:

### a) Reporting Entity

The consolidated financial statements reflect the assets, liabilities, revenues and expenditures, changes in fund balances and change in financial position of the reporting entity. This entity is comprised of the municipal operations plus all of the organizations that are owned or controlled by the village and are, therefore, accountable to the Council for the administration of their financial affairs and resources.

The schedule of taxes levied also includes requisitions for education, health, social and other external organizations that are not part of the municipal reporting entity. The statements exclude trust assets that are administered for the benefit of external parties. Interdepartmental and organizational transactions and balances are eliminated.

### b) Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or the legal obligation to pay.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

Government transfers, contributions and other amounts are received from third parties pursuant to legislation, regulation or agreement and may only be used for certain programs, in the completion of specific work, or for the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred, services performed or the tangible capital assets are acquired.

### c) Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditure during the period. Where measurement uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

### d) Investments

Investments are recorded at amortized cost. Investment premiums and discounts are amortized on the net present value basis over the term of the respective investments. When there has been a loss in value that is other than a temporary decline, the respective investment is written down to recognize the loss.

### NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED DECEMBER 31, 2022

### 1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### e) Requisition Over-levy and Under-levy

Over-levies and under-levies arise from the difference between the actual property tax levy made to cover each requisition and the actual amount requisitioned.

If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced. Where the actual levy is less than the requisition amount, the under-levy is accrued as a receivable and as property tax revenue.

Requisition tax rates in the subsequent year are adjusted for any over-levies or under-levies of the prior year.

### f) Inventories for Resale

Land held for resale is recorded at the lower of cost or net realizable value. Cost includes costs for land acquisition and improvements required to prepare the land for servicing such as clearing, stripping and leveling charges. Related development costs incurred to provide infrastructure such as water and wastewater services, roads, sidewalks and street lighting are recorded as physical assets under the respective function.

### g) Tax Revenue

Tax revenues are recognized when the tax has been authorized by bylaw and the taxable event has occurred. Requisitions operate as a flow through and are excluded from municipal revenue.

Requisitions operate as a flow-through and are excluded from municipal revenue.

### h) Landfill Closure and Post-Closure Liability

Pursuant to the Alberta Environmental Protection and Enhancement Act, the town is required to fund the closure of its landfill site and provide for post-closure care of the facility. Closure and post-closure activities include the final clay cover, landscaping, as well as surface and ground water monitoring, leachate control, and visual inspection. The requirement is being provided for over the estimated remaining life of the landfill site based on usage.

### i) Government Transfers

Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return. Government transfers are recognized in the financial statements as revenue in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

### j) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the consolidated Change in Net Financial Assets for the year.

### NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED DECEMBER 31, 2022

### 1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### j) Non-Financial Assets (Continued)

### i. Tangible Capital Assets

Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over the estimated useful life as follows:

50 years
20 years
50 – 75 years
50 - 75 years
20 years
10 - 15 years
10 - 20 years

One-half of the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

### ii. Contributions of Tangible Capital Assets

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

### iii. Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

### iv. Inventories

Inventories held for consumption are recorded at the lower of cost and replacement cost.

### v. Cultural and Historical Tangible Capital Assets

Works of art for display are not recorded as tangible capital assets but are disclosed.

### NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED DECEMBER 31, 2022

### 2. CASH AND CASH EQUIVALENTS

Included in cash and term deposits are amounts received from various grant funding programs that are held for use exclusively for approved projects (Note 4).

<u>2022                                  </u>	<u>2021</u>
36,049	14,872
234.103	240,355
270,152	255,227
400.801	363,170
130,649	107,943
	36,049 234,103 270,152 400,801

### 3. TAXES AND GRANTS IN PLACE OF TAXES RECEIVABLES

	2022_	<u>2021                                   </u>
Current taxes and grants in place of taxes	22,557	35,298
Arrears taxes	25.082	35.998
	47,639	71,296
Less: Allowance for doubtful accounts	(3,856)	(8.999)
	43.783	62,297

### 4. DEFERRED REVENUE

Deferred revenue consists of the following:

	<u>2022                                  </u>	<u>2021                                   </u>
Canada Community Balanced Fund	86,049	114,872
Municipal Sustainable Initiative - Capital	570,806	643,029
Prepaid property taxes	585	964
	657.440	758.865

### NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED DECEMBER 31, 2022

### 5. LONG TERM DEBT

	2022	<u>2021</u>
Demand loan with Vision Credit Union, bearing interest at prime + 1% per annum, repayable over five years in 20 quarterly payments of \$10,625 plus interest. Principal and interest payments began January 1, 2021.	127,500	<u>170.000</u>

Principal and interest repayments are as follows:

<u>Principal</u> <u>Interest</u>	<u>Total</u>
2023 42,500 7,196	49,696
2024 42,500 4,455	46,955
2025 42,500 1.713	44,213
127,500 13,364	140,864

### 6. DEBT LIMITS

Section 276(2) of the MGA requires that debt and debt limits as defined by Alberta Regulation 255/00 for the Village of Alliance are to be disclosed as follows:

	2022	2021_
Total debt limit	790,824	792,528
Total debt	127.500	170,000
Amount of debt limit unused	663.324	622,528
Debt servicing limit	131,804	132,088
Debt servicing	49.696	47,815
Amount of debt servicing limit unused	82,108	84,273

The debt limit is calculated at 1.5 times revenue of the municipality (as defined in Alberta Regulation 255/00) and the debt service limit is calculated at 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are guidelines used by Alberta Municipal Affairs to identify municipalities that could be at financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the municipality. Rather, the financial statements must be interpreted as a whole.

### NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED DECEMBER 31, 2022

### 7. EQUITY IN TANGIBLE CAPITAL ASSETS

	<u>2022</u>	2021
Tangible capital assets (Schedule 2)	7,588,351	7,379,742
Accumulated amortization (Schedule 2)	(3,056,951)	(2,844,863)
	4.531,400	4,534,879

### 8. ACCUMULATED SURPLUS

Accumulated surplus consists of restricted and unrestricted amounts and equity in tangible capital assets.

	2022	2021
Unrestricted surplus	52,701	66,804
Restricted surplus		
Fire department	10,000	10,000
Water and sewer	33,000	23,000
	43,000	33,000
Equity in tangible capital assets	4.531.400	4.534.879
	4.627.101	4,634,683

### 9. SEGMENTED DISCLOSURE

The Village of Alliance provides a range of services to its ratepayers. For each reported segment (Schedule 6), revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements overall, and as disclosed in Note 1.

### NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED DECEMBER 31, 2022

### 10. SALARY AND BENEFITS DISCLOSURE

Disclosure of salaries and benefits for municipal officials, the chief administrative officer and designated officers are required by Alberta Regulation 313/2000, and are as follows:

		2022		2021
Benefits and				
	Salary	allowances	Total	Total
Mackenzie	-	-	-	6,011
Ganshirt	7,575	211	7,786	7,462
Wickstrom	-	-	-	5,897
Nychyporuk	7,630	211	7,841	1,355
Wyse	600	18	618	-
Wold	5,213	-	5,213	1,289
CAO	60,752	5,797	66,549	63,185
Designated Officer	12,246	769	13.015	3,220

### 11. COMMITMENTS

The village has entered into a three-year contract with Wainwright Assessment Group for property assessment services from August 01, 2020 to July 31, 2023, at a cost of \$423 per month.

### 12. CONTINGENCIES

The village is a member of the Alberta Municipal Insurance Exchange (MUNIX). Under the terms of the membership, the village could become liable for its proportionate share of any claim losses in excess of the funds held by the exchange. Any liability incurred would be accounted for as a current transaction in the year the losses are determined.

The village is a member of the Flagstaff Regional Solid Waste Management Association. Under the terms of the membership, the village could become liable for its proportionate share of any landfill closure and post-closure costs in excess of the funds held by the association. Any liability would be accounted for as a current transaction in the year the shortfall is determined.

### 13. CONTAMINATED SITES LIABILITY

The village has adopted PS3260 Liability for Contaminated Sites. The village did not identify any financial liabilities in 2022 (2021 - nil) as a result of this standard.

### NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED DECEMBER 31, 2022

### 14. FINANCIAL INSTRUMENTS

The village's financial instruments consist of cash and temporary investments, accounts receivable, investments, accounts payable and accrued liabilities, deposit liabilities, and long-term debt. It is management's opinion that the village is not exposed to significant interest or currency risks arising from these financial instruments.

The village is subject to credit risk with respect to taxes and grants in place of taxes receivables and trade and other receivables. Credit risk arises from the possibility that taxpayers and entities to which the village provides services may experience financial difficulty and be unable to fulfil their obligations. The large number and diversity of taxpayers and customers minimizes the credit risk.

The village is exposed to interest rate risk with respect to the variable rate of interest on long-term debt.

Unless otherwise noted, the carrying value of the financial instrument approximates fair value.

### 15. APPROVAL OF FINANCIAL STATEMENTS

Council and Management have approved these financial statements.
